

2021-22 School Profile

KENNEDY-CURRY MIDDLE SCHOOL (TEA 354)

6605 SEBRING DALLAS, TX 75241

www.dallasisd.org/kennedycurry

Principal: SHADARIA FOSTER (sfoster1@dallasisd.org)

Phone: 972-925-1600

Middle school (grades 6–8) in the WILMER-HUTCHINS HS feeder pattern.

Grd	Attendance Target: 96%	Enrollment		% of Grade Level			
		N	% Sch	Afr. Am.	Hispanic	White	Other
6	97.2% ✓	242	33%	49%	48%	1%	1%
7	99.8% ✓	236	32%	56%	42%	1%	2%
8	99.9% ✓	260	35%	55%	40%	2%	3%
ALL	99.0% ✓	738	–	53%	43%	1%	2%

Student Group Enrollment		
	N	% of School
At Risk	496	65.8%
EL	213	28.2%
Low SES	690	91.5%
SPED	114	15.1%
TAG	85	11.3%

Attendance / Retention		2018-19	2019-20	2020-21
Students	Average student attendance rate	94.7%	↑ 95.9%	↑ 99.0%
	Percentage absent fewer than 10% of days enrolled	83.7%	↑ 89.1%	↑ 97.8%
Teachers	Average number of absences	7.4	↓ 4.8	↑ 6.8
	Percentage returned to campus from prior year	66.0%	↓ 53.5%	↑ 75.5%

Disciplinary Actions	18-19	19-20	20-21
In-School Suspension	29	84	
Out-of-School Suspension	451	125	
Alternative Placement	40	25	
Expulsion	1		1

Distinctions No distinctions awarded

INFORMATION ABOUT 2021-22 SCHOOL PROFILES

Emergency Closure due to COVID-19 Pandemic	Where possible and reasonable, statistics in this report were updated to reflect the 2020-21 school year. In some cases, missing test results due to the emergency closure in Spring 2020 precluded computation of updated statistics. Please note the school years reflected in each section. If new statistics could not be created for 2020-21, prior-year information was left in place from the previous School Profile.
--	---

Attendance

Student attendance rate	Average of students' attendance rates (number of days in attendance out of number of days enrolled) at end of last school year. The target for middle schools is 96%.
Students absent fewer than 10% of days enrolled	An indicator of how many students are in regular attendance. Percentage of students with fewer than 10% absences (excused or unexcused) is based on a snapshot taken at the end of the last school year.

Enrollment

Number enrolled by grade (N)	Average daily enrollment at the campus during the last school year.
Percentage enrolled by grade (% Sch)	Grade-level percentage of total school enrollment at end of last school year.
Percentage in grade by race/ethnicity (% of Grade)	Percentage of students within grade level identified as African American, Hispanic, white, or other at end of last school year. Identification in a category provided by parents/guardians at registration. Students identified as Hispanic are not counted elsewhere.
Percentage enrolled by student group	Counts taken at the end of last school year based on data in student information system. Students may be classified in more than one or no student groups.

Teachers

Teacher absences	Average number of days not at campus, such as for illness or personal business. Counts do not include vacation days or leave.
Teachers returning to campus	Percentage of teachers from previous school year who continued at the school. The number of teachers who were at the school in both current and previous years is divided by the number of teachers in the previous year. Teachers from the prior year are not included in the statistic if they changed to non-teaching positions within the district.

Discipline

Frequency of disciplinary actions	Disciplinary actions reported to TEA in PEIMS summer submission. Reporting codes by action are in-school suspensions: 6, 26; out-of-school suspensions: 5, 25; alternative placement: 7; expulsion: 2, 4.
-----------------------------------	---

Accountability Rating System for Texas Public Schools

State accountability rating	Schools receive scaled scores in four domains (Student Achievement, Student Progress: Academic Growth, Student Progress: Relative Performance, and Closing the Gaps) and a single scaled score across the three domains from the TEA. Dallas ISD opted into the state's Local Accountability System, which adds domains to Dallas ISD schools' accountability ratings. The additional local domains are Academics (measured by the school's prior-year SEI), Culture and Climate (measured with the staff climate survey and parent/guardian survey), and Student Engagement (measured by a confidential student experience survey and extra-curricular participation). As with state domains, each local domain receives a scaled score, and there is a single scaled score across the three local domains. Scaled scores range to 100. The state scaled score and local scaled score are averaged to compute the school's overall accountability score and grade. Based on the state domains only, schools can earn distinctions from the TEA for student achievement in math, reading, science, and social studies; top 25% (among comparable schools) in student progress; top 25% in closing performance gaps; and postsecondary readiness. NOTE: The Texas Education Agency (TEA) did not release state accountability ratings in 2020 or 2021. Results reflected in this profile are carried over from 2019.
-----------------------------	---

School Effectiveness Index

SEI	A measure of performance on assessments that is relative to other Dallas ISD schools. The SEI isolates a school's effect on student outcomes by controlling for differences the school cannot control, such as socio-economic status, neighborhood characteristics, and prior-year academic levels. A large change in one year, whether up or down, will typically be followed by a move in the opposite direction. This is expected based on the statistical model used for SEI; it is an example of the concept of "regression to the mean." NOTE: The absence of standardized test scores from 2020 affected creation of SEIs for both 2020 and 2021.
-----	--

Campus Climate Survey

Percentage positive responses	Surveys conducted November and May. Positive responses include Agree and Strongly Agree. Other responses included Disagree, Strongly Disagree, and Neutral. Campuses with multiple TEA numbers have results only for the campus as a whole; results are repeated on each profile. NOTE: The Campus Climate Survey was not conducted in Fall 2020.
-------------------------------	---

Parent Survey

Percentage positive responses	Survey conducted in spring. Positive responses include Agree and Strongly Agree. Other responses included Disagree, Strongly Disagree, and Neutral. Campuses with multiple TEA numbers have results only for the campus as a whole; results are repeated on each profile.

2021-22 School Profile

Middle School Metric and Term Definitions

State of Texas Assessment of Academic Readiness (STAAR)

Percentage meeting grade level standard	Percentage of all tests with scores meeting grade level standard. Statistics include results from all STAAR test types. School's statistics based on results from students in the accountability subset. School statistics reported only if at least 25 students tested. District statistics are based on grade levels at the campus. State statistics not available for isolated grades, such as Grade 8 Algebra I. Students meeting grade level standard have a high likelihood of success in the next grade or course but may still need some short-term, targeted academic intervention.
Percentage mastering grade level standard	Percentage of all tests with scores demonstrating mastery of grade level standard. Scores are a subset of scores that "meet grade level standard". Students mastering grade level standard are expected to succeed in the next grade or course with little or no academic intervention.
